My Favorite Teacher ← Relevant Title

I will always remember Mrs. Hughes as my favorite teacher. She was my second grade teacher at Louisville Elementary School. I still recall how special Mrs. Hughes made me feel as my reading group read *Tuck Everlasting*; she offered praise and encouragement as we read. Her classroom was warm and welcoming; colorful posters were hung around the room to motivate us about learning. Although I was a student over twenty years ago, Mrs. Hughes still asks how I'm doing! All of Mrs. Hughes's characteristics prove her to be the most inspirational teacher I've ever had.
