

## Seventh Grade Team White

*Mrs. Dasco ~ social studies*

*Mrs. Fach ~ language arts*

*Mr. Miglich ~ mathematics*

*Mrs. Westfall ~ science*

We would like to extend a warm welcome to all seventh grade students. If you are new to our district or to this building, we know that you will enjoy the atmosphere here at Louisville Middle School. Please feel free to contact any of the staff if there is something we can do to assist you.

Together we will have a productive and successful year. Take pride in yourself, your work, your school, and your community. We are the Leopards!

### ❖ Remind.com Information

This year, Team White teachers will be using Remind. Remind is a website that provides a safe way for teachers to text message students and parents. Each teacher is assigned a phone number, which a student or parent will text to subscribe. Once subscribed, Remind will ask for the student's/parent's name so that the teacher can identify them. Remind never shows the teacher that person's number, which means they never see student numbers and students never see theirs. Therefore, teachers will be incapable of responding to texts sent through Remind. For additional information, please visit <https://www.remind.com>.

### ❖ Contacting Team White Teachers

Keeping an open line of communication with parents is very important to us. If you need to contact us for any reason, please do not hesitate to do so. In this age of technology, sending an e-mail has proven to be the quickest way for us to respond to a parent inquiry. Of course, telephone calls also work. However, as with many families' busy schedules, a good game of phone tag often ensues!
